FLY CASTING TIPS FROM YEARS OF TRIAL & ERROR by: Carl Laski

Carl Laski is currently serving as president of the Downey Fly Fishers without being formally elected by its members. Carl was overheard as saying, "I wasn't paying attention for only a few brief minutes at a Downey Fly Fishers' board meeting. The next thing you know, I'm president for 2015! What the hell just happened here?"

Carl has been a featured guest speaker at the Fred Hall Fishing Show in Long Beach, CA with his "Introduction to Fly Fishing" seminar. After the show, Carl reflected on the success of his seminars, "I spent many hours creating the presentation and averaged only 5 people for each seminar. You can't tell me that this never happened to Mel Krieger or Lefty Kreh."

Carl will present "Fly Casting Tips from Years of Trial & Error" which is a compilation of his fly casting expertise over the past few decades.

This is what fellow fly fishermen and organizations had to say about Carl Laski's fly casting ability and knowledge:

"I've seen better casts in a Broadway play." – *Michael Jedlick, Treasurer - Downey Fly Fishers*

"I've seen better casts in an orthopedic surgeon's office." – *Allan Grosdidier, Past President - Downey Fly Fishers*

"I've seen better casts in a 25mph wind on the flats in Oahu!" – *Zino Nakasuji, Program Chairman - Downey Fly Fishers*

"We'll certainly post Carl's fly casting presentation to a broken link on our club's website." – *Brian Matthews, Secretary - Downey Fly Fishers*

"According to our records, Carl Laski has never taken the Certified Casting Instructor test." – *International Federation of Fly Fishers*

"Never heard of Carl Laski." – *Southwest Fly Fishing Magazine*

"No comment!" – *Tod Suttle, Co-star in the Calico Syndicate Fly Fishing Film*
