DVD Movie Night – CONNECT

“Connect”, a Confluence Films Production, will be the DVD featured for our July 12th DVD Night.

The third film in the series of “Drift & Rise”, “Connect” takes you all around the world via 16mm film. Beautiful and unspoiled locations gorgeously shot with anglers that covet the wild fish that inhabit those waters. Come on by and let this film take you to Africa, Yellowstone, Maine, Japan, Alaska, and Cuba.

A fly tying demonstration will be held from 6:00pm to 7:00pm.

Pizza and beverages will be served.
