Big Bear Fishing Adventures

Big Bear Fishing Adventures has been in business since 2008. Mike Tuttle has been a guide for over 19 years runs the only Fly Fishing Company in Big Bear. In addition to guiding on Big Bear Lake, they guide on Bear Creek, Deep Creek, Santa Ana River, and the Eastern Sierra. They specialize in fly fishing and offer fly fishing lessons. Half day to 4 day overnight fishing trips are available on local lake, rivers and streams.

This year they hired 3 new guides and one of them is Ryan Favorite and he specializes in fly fishing for carp and fly fishing in saltwater. Ryan will demonstrate tying carp flies from 6:00pm to 7:00pm. Ryan and Mike will be happy to answer question during the tying session.

They are licensed, bonded, and insured. They operate out of Big Bear Marina at 500 Paine Court in Big Bear Lake.

Everyone is welcome to learn what Big Bear Fishing Adventures has to offer regarding the local San Bernardino scene and the Eastern Sierra.

Memory of Ray...

Mr. Bill Harry and Dr. Ray Sugiyama's legacies live on through the countless youths they helped grow into men and women. I am proud to say that these gentlemen along with Dick, Don, Frank, and many others made me who I am today, and I thank you all. Bill and Ray, I hope you realize the impact you had on us all. I hope that as you lay to rest, every time I recount the wonderful times I had due to you and the Arroyo Fly Fishing Club, you know that the enthusiasm lives on in your memory- in your honor.
